CERTIFIED MAIL
RETURN RECEIPT REQUESTED

Ms. Linda Daley
La Plata County Clerk
P.O. Box 519
Durango, Colorado 81302

APR 02 2008

Dear Ms. Daley:

The U.S. Environmental Protection Agency (EPA) Region 8, will be issuing a public notice in the Durango Herald on April 18, 2008, regarding draft Clean Air Act Title V Permits to Operate (40 CFR part 71) for the following sources:

- BP America Production Company – Wolf Point Compressor Station
- BP America Production Company – Florida River Compression Facility

The public comment period for this notice will end on May 19, 2008. Please make the enclosed draft permits, Statements of Basis', and permit applications available for public inspection until the end of the public comment period.

Thank you for your assistance in this matter. Should you have any questions regarding our request you may contact me at (303) 312-6520.

Sincerely,

A handwritten signature in cursive script, appearing to read "Claudia Smith".

APR 02 2008

Re: Transmittal of Draft Renewals to Title V Operating
Permits on Southern Ute Indian Reservation

Dear Mr. Lee:

In accordance with 40 CFR 71.8 and 71.11(d)(2), the U.S. Environmental Protection Agency (EPA) Region 8 is hereby providing notification to all affected states and tribes of the issuance of draft Title V federal operating permits for the following sources located on the Southern Ute Indian Reservation:

BP America Production Company – Wolf Point Compressor Station
BP America Production Company – Florida River Compression Facility

Region 8 is providing a 30-day period, from April 18, 2008 to May 19, 2008, for comment. Please make the enclosed draft permits, Statement of Basis', permit applications, and additional supporting information available for public inspection until the end of the public comment period.

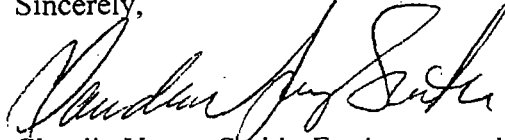

In addition to maintaining the dockets in your office, please submit any written recommendations you may have concerning the terms and conditions of the draft permits to me at the following address:

Claudia Smith
US EPA Region 8
Air Program, 8P-AR
1595 Wynkoop Street
Denver, CO 80202
303-312-6520

Should EPA not accept any or all of these recommendations, you will be notified in writing and will be provided with the reasons for not accepting them. Comments must be

received by May 19, 2008, to be considered in the issuance of the final renewal permits for these facilities. If a public hearing is held regarding any of these permits, you will be sent a copy of the public hearing notice at least 30 days in advance of the hearing date.

Sincerely,

A handwritten signature in cursive script, appearing to read "Claudia Young Smith".
