ORDER SCHEDULING ORAL ARGUMENT

Upon review of the record and the parties' submissions, the Environmental Appeals Board ("Board") has determined that oral argument would be of assistance in the Board's deliberations in this matter. Accordingly, Concerned Citizens for Nuclear Safety's request for oral argument is granted.

The Board requests that the parties present oral argument in this matter beginning at 11:00 am Eastern Time on Thursday, February 22, 2018, in the Administrative Courtroom located at the U.S. Environmental Protection Agency, William Jefferson Clinton East Building, Room 1152, 1201 Constitution Avenue, N.W., Washington, DC. The Board will issue a further order allocating time for argument. The parties must notify the Clerk of the Board in writing by Monday, February 5, 2018, of the names of counsel who will present argument.¹

¹ Oral arguments before the Board are open to the public. For security purposes, advance notice is required to gain entry into the EPA building where the Courtroom is located. Members of the public wishing to attend oral argument must contact the Clerk of the Board (Eurika Durr, 202-233-0122, Clerk_EAB@epa.gov) sufficiently in advance of the oral argument to allow the Clerk reasonable opportunity to notify appropriate security personnel (i.e., one week prior to the scheduled oral argument).

Counsel or other duly authorized representatives of the parties may also present their arguments by video-conference. Those who wish to do so must contact the Clerk of the Board, at 202-233-0122, no later than Monday, February 5, 2018, to make arrangements for use of the video-conference equipment.

So ordered.
