Appeal Number: NPDES 09-05

Dear Ms. Murray:

Enclosed is a petition received by the Environmental Appeals Board on March 13, 2009, filed by Megan M. Anderson and Matthew K. Bishop, Attorneys, Western Environmental Law Center, on behalf of Amigos Bravos, Concerned Citizens for Nuclear Safety, Embudo Valley Environmental Monitoring Group, Honor Our Pueblo Existence, New Mexico Acequia Association, Partnership for Earth Spirituality, J. Gilbert Sanchez, Kathy Sanchez, and Tewa Women United, asking the Environmental Appeals Board to review a permit determination issued by the United States Environmental Protection Agency, Region 6 in this case.

To assist the Environmental Appeals Board in deciding whether the matters raised by petitioners should be reviewed, please have your staff prepare a response that addresses the petitioners' contentions and whether petitioners have satisfied the requirements for obtaining review under 40 C.F.R. §124.19(a). Include relevant portions of the administrative record with the response, together with a certified index of the entire administrative record. Please file an original (signed in blue ink) and two copies of these materials no later than April 30, 2009, and send a copy of the response and the certified index to petitioners with a certificate of service showing the date and method of service.¹

¹The Environmental Appeals Board has an innovative system that allows parties to submit copies of documents, including exhibits, electronically in PDF. Instructions on registration and document submission, are available by using the "Electronic Submission" link

All documents, including the materials due April 30, 2009, must reference the appeal numbers. **IMPORTANT:** In addition, any envelope or other packaging containing documents sent to the Environmental Appeals Board's mailing address or hand-delivery address, as prescribed below, must bear a complete and accurate return address in the upper left hand corner. The envelope or packaging must also clearly state the case name and appeal number in the lower left hand corner.

Mailing and Hand Delivery Instructions²

All documents that are sent through the U.S. Postal Service, Express Mail, hand-delivered, via courier must include the name of the organization, address, facsimile number, telephone number, and an email address, if available.

Documents that are sent through the U.S. Postal Service (except by Express Mail) **MUST** be addressed to the Environmental Appeals Board's mailing address which is:

Washington, D.C. 20460-0001

Documents that are hand-carried in person, delivered via courier, mailed by Express Mail, or delivered by a non-U.S. Postal Service carrier (e.g., Federal Express or UPS) **MUST** be delivered to:

on the Board's website. Please note that, at the present time, electronic submissions will not be considered a substitute for filing an original document with the Clerk of the Board. The Clerk of the Board still must actually receive the original document by the document's due date in order for it to be timely filed. However, Agency offices and private parties that use this system for submitting electronic copies will be excused from the requirement to submit multiple paper copies with their original filing.

² The Environmental Protection Agency is experiencing delays in delivery of mail from the U.S. Postal Service. These delays are due to a new sterilization procedure applied to all U.S. Postal Service mail delivered to the federal government. Parties are encouraged to utilize non-U.S. Postal Service carriers and the Board's hand-delivery address when filing time-sensitive pleadings with the Board. Additional information regarding mail delivery to the Board is available on the Environmental Appeals Board website (www.epa.gov/eab) at the Clerk of the Board or Frequently Asked Questions.
