Subject Re: Friday filing

Good afternoon,

Both documents are maintained in the case file (original and corrected filing) to show that the correct filing date is July 5, 2007, "Request for Expedited Resolution of Petitions for Review of Shell Offshore Inc.'s Outer Continental Shelf Air Quality Control Minor Permit Approvals to Construct". If there are questions, please let me know.

Subject Friday filing

Good morning,

I hand delivered a letter requesting expedition of an appeal on Friday around 12:30 PM for John Martin at Patton Boggs on behalf of Shell Offshore. It is a replacement for an identical letter delivered on Thursday that had an incorrect date. The attorney I spoke with advised me to place the documents on the receptionist's desk, but it is very possible that one of the attorneys date-stamped and filed the document. I tried to phone this morning and left a voicemail. My number is 202-457-6512. I would greatly appreciate a call to ensure everything is in order with the filing. Thanks again,
