ENVIR. APPEALS BOARD  
To whom it may concern,

I am against the Russell  
city Eyes Center Project.

It will not do any good for us  
in Alameda County.

But for San Mateo County & Santa  
Clara County. Put it on their  
side of page.

It will add to our already  
heavy problem.

Enclosed is the copy of the  
other issues.

Thanks you!
