**STATUS REPORT REQUIRED BY
EAB JANUARY 19, 2006 ORDER**

On January 19, 2006, the Environmental Appeals Board (the "Board") issued an Order Extending the Stay (the "Order") in this matter until August 31, 2006 so as to provide the parties sufficient time to file a Settlement Agreement. The Order also required the U.S. Environmental Protection Agency, Region 1 (the "Region") to file status reports with the Board by April 3, 2006 and June 30, 2006.

The Region is filing this status report, with the City of Newburyport's concurrence, to inform the Board that the parties are in the process of having the Settlement Agreement approved and signed by the appropriate officials and anticipate filing a fully executed document within the next 60 days.

Respectfully submitted,
