**PIMA COUNTY’S NOTICE OF FILING OF CERTIFIED INDEX TO THE
ADMINISTRATIVE RECORD**

Pima County provides notice of filing the Certified Index to the Administrative Record for the Prevention of Significant Deterioration Air Quality Permit issued to Tucson Electric Power for the Irvington Generating Station and which is the subject of the petition of review in this appeal.¹

Dated: September 25, 2018

Respectfully submitted,

BARBARA LAWALL
PIMA COUNTY ATTORNEY

¹ The Pima County Air Quality Control District administers the federal prevention of significant deterioration permitting program within Pima County, Arizona, under a delegation agreement with Region 9 of the Environmental Protection Agency. The Pima County Air Quality Control District operates within the Pima County Department of Environmental Quality and is governed by the Pima County Board of Supervisors. *See* Pima County Code § 17.04.080 and § 17.04.100. The term “Pima County” refers to the Pima County Air Quality Control District and the Pima County Department of Environmental Quality. The Pima County Code is available online: https://library.municode.com/az/pima_county/codes/code_of_ordinances
