The facility contact should be changed to our new field environmental coordinator, Julie A. Best. Her phone number is (970) 375-7540, and her fax number is (970) 375-7586.

Based on the relocation of staff, the plant mailing address should be updated for all of the sites. Note that the recent permits for Treating Site #4A and Treating Site #5A are correct. The plant mailing address is 380 Airport Rd., Durango, CO 81303.

Please contact Ms. Best at (970) 375-7540 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in cursive script that reads "Chad A. Tidwell".
