U.S. Environmental Protection Agency
Clerk of the Board, Environmental Appeals Board
(MC 1103B)
Ariel Rios Building
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460-0001

Dear Clerk,

I am opposed to the issuance of the permit to, Logan International Airport, Massport, and the Co-Permittees, that allows storm water to be discharged into the Boston Harbor. This is an assault on a very fragile ecosystem. Boston Harbor must be protected, and it is up to your agency to protect this natural gift that is the mission of your agency to protect our environment.

The issuance of this permit shows a flawed process that allows polluted fluids and liquids to be discharged into Boston Harbor. How is this protecting the Boston Harbor?

Thank you for your time and consideration in this matter.

Joseph J. Cappuccio
