In re: District of Columbia Water and Sewer
Authority, NPDES Permit No. DC 0021199
NPDES Appeal No. 07-12

Dear Ms. Durr:

As a follow up to our conversation and the District of Columbia Water and Sewer Authority's previously filed motion to intervene in the referenced matter, please be advised that Counsel for EPA has not yet advised whether EPA objects to or concurs with the granting of the relief set forth in WASA's motion. Counsel for Earthjustice was out of town this week and could not be reached for the purpose of ascertaining Earthjustice's position.

We will advise you as soon as we reach both parties on this issue

Very truly yours,

Stewart T. Leeth
