EDWIN Quinones
US Environmental Protection Agency
Office of Regional Council
1445 Ross Avenue
Dallas, Texas, 75202-2733

Dear Mr. Barra and Mr. Quinones

I don't know if the purpose of
this letter is to Appeal the

(2)

Default order or simply to ask
that the fine be reduced in
CWA-06-2007-4810 to 17,000 Dollars
And CWA-06-2007-4808 to 17,000 Dollars,
I was scared and had originally
offered 6000 Dollars for each case,
I think it fair to reduce the
Amounts to this level and so
hope you can do this so I can
close this chapter for my family.
Even these Amounts are a lot of
money. I'm sorry and feel

③

that I did a very poor job in
communicating all that we did.
I'm sorry to also have taken
so much of your time. I did
not communicate through the proper
channels to show all of our
work and history. I can be
reached at 870-918-3720. I thank
you both for all the time and
work you spent on this.

Sincerely

Jon Turner
