RE: NOTICE OF APPEAL

The above individuals formally request permission to file an appeal and receive judicial review of the decision made by EPA Region 9 to issue pollution increases via Permit No. NSR 4-4-4, SAC 03-01.

Included with our Notice of Appeal is a Request For Time Extension. We hope your Agency will grant us time to obtain information we are waiting on through the EPA Region 9 FOIA office. We need this information in order to participate in the EAB environmental review process.

Thank you,
