Subject Desert Rock PSD Permit - 30-day review period

Good Afternoon,

This message is to notify everyone that we are starting the 30-day review period for the Desert Rock PSD permit by the FLMs on Monday, March 27, 2006. The 30-day period will close on Wednesday, April 26, 2006. At that time, EPA will expect to hear from the FLMs whether the agencies intend to make a Finding of Adverse Impact, or not.

If you have any questions, please contact me at 520-498-0118. Thank you.
