Dear Mr. Dierker:

Enclosed is a petition dated October 21, 2005 (received by the Environmental Appeals Board on October 24, 2005), filed by William E. Taylor, Pierce Atwood LLP on behalf of Wausau Papers of New Hampshire, Inc., asking the Environmental Appeals Board to review a permit determination issued by the United States Environmental Protection Agency, Region 1, in this case.

To assist the Environmental Appeals Board in deciding whether the matters raised by petitioner should be reviewed, please have your staff prepare a response that addresses the petitioner's contentions and whether petitioner has satisfied the requirements for obtaining review under 40 C.F.R. §124.19(a). Include relevant portions of the administrative record with the response, together with a certified index of the entire administrative record. Please file an original (signed in blue ink) and five copies of these materials no later than December 14, 2005, and send a copy of the response and the certified index to petitioner with a certificate of service showing the date and method of service.

All documents, including the materials due December 14, 2005 must reference the appeal number. **IMPORTANT:** In addition, any envelope or other packaging containing documents sent to the Environmental Appeals Board's mailing address or hand-delivery
