APPELLANT DEPARTMENT OF THE INTERIOR TELEPHONE CONTACT INFORMATON

Per the Amended Order of April 21, 2009, the EAB requested that the Parties participate in a teleconference on Thursday April 30, 2009. I am available on that date. I can be reached at the number below for a standard teleconference call.

However, I have now received a notice from EPA's Counsel that they intend to participate by video conference. Videoconference equipment is not available in our offices, so I have made a request to participate at the EPA's Offices. If this is feasible, then I would join EPA in the call from their office in Boston.

Respectfully submitted,

Robin Lepore,
Senior Attorney
