Re: *In the Matter of Guam Waterworks Authority's Northern District Sewage Treatment Plant NPDES Permit No. GU0020141 and Guam Waterworks Authority's Agana Sewage Treatment Plant NPDES Permit No. GU0020087, NPDES Appeal Nos. 09-15 & 09-16*

Dear Ms. Durr:

I am writing in response to the Environmental Appeals Board's October 28, 2010 Order Requesting the Region's Response and Scheduling Status Conference. to inform you that U.S. EPA Region 9 ("the Region") will participate in the status conference on November 15 via EPA video-conferencing equipment. I plan to represent the Region at the status conference; however, it is possible that I will have to go out on maternity leave by that date. If that were to happen, the Region would be represented either by Ann Nutt from the Region, who plans to attend via video-conference, or Stephen Sweeney of the Office of General Counsel, who plans to be present in the Board's court room.

The number for the Region videoconference line is 415-978-5130. The Region telecommunications contacts are Terri Maldonado (415-972-3758, [maldonado.terri@epa.gov](mailto:maldonado.terri@epa.gov)) and Steven Jong (415-972-3733, [jong.steven@cpa.gov](mailto:jong.steven@cpa.gov)).

Sincerely,

A handwritten signature in black ink, appearing to read "Marcela von Vacano".
