**Letter from the Rancho Cucamonga Fire Department
to Davis Partners, Inc.
Dated April 3, 2008**

FIRE PROTECTION DISTRICT

RANCHO
CUCAMONGA

April 3, 2008

DAVIS PARTNERS, INC.
9774 Crescent Center Drive, Suite 506
Rancho Cucamonga, CA 91730

Dear Ms. Fish,

On March 17th, 2008, the San Bernardino County Sheriffs Department, along with multiple agencies, including Rancho Cucamonga Fire Department served a three day search warrant to the property located at; 9330 7th Street Ste., "A" Rancho Cucamonga, Ca 91730, known as U.S. Colloidal.

On March 18th, 2008 it was jointly decided by the Enforcement team to have Davis Partners provide 24 hr security, for the building, until the Commencement of the search warrant.

On March 19th, 2008 a multi-agency joint decision was made, to have Davis Partners contact a locksmith and re-key the suite to prevent unauthorized entrance. Concurrently the Federal EPA is conducting clean up efforts, at this suite. Not knowing the stability, of the chemicals, and with multiple fire code violations including, but not limited to lack of emergency evacuation routes, a decision was made on behalf of public safety to allow limited access by authorized persons only.

Sincerely,

Michelle Seckler
Fire Prevention Specialist II
Rancho Cucamonga Fire Protection District
