**Re: Status Conference; Notice of Participating Counsel
Town of North Attleborough Wastewater Treatment Facility
NPDES Appeal Nos. 07-02 and 07-04
NPDES Permit No. MA0101036**

Dear Ms. Durr:

In its Second Order Staying Proceedings and Order Scheduling Status Conference (June 21, 2007), the EPA Environmental Appeals Board provisionally scheduled a status conference for August 15, 2007, in connection with the above-referenced appeal. In its order, the Board instructed the parties to provide the names of counsel who will be participating in the status conference by August 8, 2007. Enclosed for docketing is an originally executed copy of EPA-Region 1's Notice of Participating Counsel, as well as a Certificate of Service.¹ In lieu of five additional paper copies, electronic copies of each document have been posted to the CDX system.

As we discussed this afternoon, the Region intends to participate in the status conference via video equipment and will contact the Board's technical personnel to make arrangements to do so. If you should have any questions, please do not hesitate to contact me at 617-918-1095.

Sincerely,

Samir Bukhari
Assistant Regional Counsel
Office of Regional Counsel
US EPA-Region 1

¹ On June 21, 2007, the Clerk of the Board informed the Region that the two pending petitions for review of NPDES Permit No. MA0101036 had been "combined" (although not "consolidated") and that in the future the Board would only require a single original of documents filed in connection with this matter.
