Appeal No. UIC 08-02

**Intervenor/Respondent Beeland Group LLC's Motion for Extension of Time to File its  
Brief Responding to the Merits of FJR's Petition for Review No. 08-02**

Permittee and Intervenor-Respondent Beeland Group, LLC ("Beeland"), by and through its attorneys Mayer Brown LLP and Zimmerman, Kuhn, Darling, Boyd, Quandt and Phelps, PLC, respectfully request that the Board grant a 7 day extension of time for Beeland to file its brief responding to the merits of Friends of the Jordan River's ("FJR") petition for review of the Permit.

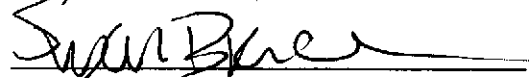

In its May 23, 2008 Order Establishing Briefing Schedule, the Board established that Beeland must file its brief responding to the merits of FJR's petition for review of the permit on or before June 13, 2008. Beeland is requesting the 7 day extension because of the extensive technical nature of the response on the merits required by the Petition. Beeland believes that a 7 day extension will allow it to provide an adequate response to FJR's petition, assist the Board in its decision, and not prejudice FJR. Beeland has spoken with EPA and EPA does not oppose the extension. Beeland has attempted to consult with FJR's counsel, who noted she needed to consult with her client. She has not yet responded. Beeland notes that it did not oppose FJR's motion for extension of time which was filed on April 10, 2008.

WHEREFORE, Beeland respectfully requests that its Motion for Extension of Time be granted to June 20, 2008 to file its brief responding to the merits of FJR's petition for review of the permit.

Respectfully Submitted:
