Re: *In re Russell City Energy Center*, PSD Appeal No. 08-01

Dear Ms. Durr:

I am writing at the request of the Environmental Appeals Board's attorney Carlos Da Rosa to confirm that I will be available to participate in a video conference with the Environmental Appeals Board regarding the above-referenced appeal on Thursday, April 3, 2008, at 1:00 p.m. Eastern Time, 10:00 a.m. Pacific Time. I telephoned the Clerk's office at (202) 233-0122 today to inquire about what I need to do to participate and left a message requesting more information. Please have your office contact me to let me know what the Board will expect regarding my participation.

In addition, I have spoken with counsel for the California Energy Commission, who will try to make a representative from that agency available to participate as well. Counsel pointed out that the Energy Commission's offices are located in Sacramento, over 100 miles from San Francisco, and asked if it would be possible for the Energy Commission's representative to participate from Sacramento and not San Francisco.

Sincerely,

Alexander G. Crockett, Esq.
Assistant Counsel
