NPDES Appeal No. 11-09

**ORDER DISMISSING APPEAL**

On November 28, 2012, Amgen Manufacturing Limited appealed from the Final NPDES Permit, No. PR0026695, issued by U.S. EPA Region 2 on October 18, 2011. Appellant and Region 2 subsequently requested a stay of the matter in order to pursue settlement through the Environmental Appeals Board's pilot alternative dispute resolution ("ADR") program, which the Board granted. On March 15, 2012, Appellant filed a Motion to Dismiss the appeal stating that the parties have reached final agreement resulting in the issuance of modifications to the Appellant's NPDES Permit which shall take effect on May 1, 2012.

Having duly considered the motion and for good cause shown, the Board GRANTS Appellant's motion and dismisses NPDES Appeal No. 11-09.

So ordered.
