On June 12, 2015, EPA Region 1 filed the Certified Index to the Administrative Record (“Certified Index”) of NPDES Permit No. MA0100897, issued to the City of Taunton, Massachusetts (“Petitioner”). Petitioner subsequently contacted the Region and identified other documents that it believed to be properly part of the Administrative Record. *See* Attachment A. The Region has determined that it would be appropriate to include certain of these documents in the Certified Index to accurately reflect the entire record that was before the Region at the time the Final Permit issued. A description of these documents is set forth in the “Amendment to the Certified Index of the Administrative Record,” filed with the Board on August 6, 2015. The parties did not reach resolution on whether certain other documents are properly part of the Administrative Record. These four documents are the subject of the City of Taunton’s Motion to Supplement the Administrative Record, filed July 8, 2015, and EPA Region 1’s Opposition to the Motion to Supplement the Administrative Record, filed August 6, 2015.

Dated: August 6, 2015

Respectfully submitted,
