MOTION TO WITHDRAW THE MOTION TO WITHDRAW
FILED ON JANUARY 5, 2009 THAT IS PENDING
BEFORE THE ENVIRONMENTAL APPEALS BOARD

On January 5, 2009, the former attorneys for Respondent in the above-captioned matter, John M. Kyle III, Esq., and Michael T. Scanlon, Esq., of the law firm BARNES & THORNBURG LLP, filed a motion to withdraw their Appearances on behalf of General Motors Corporation ("GM") in the above-captioned matter. That motion was filed with Regional Hearing Clerk for U.S. EPA Region V as well as the Environmental Appeals Board and a copy of the motion was provided to the Honorable Barbara A. Gunning.

In filing that motion, it was Mr. Kyle's and Mr. Scanlon's intent to be granted permission to withdraw as counsel of record for GM in the above captioned matter by the Honorable Barbara A. Gunning, the presiding Administrative Law Judge for this matter. However, Mr. Kyle and Mr. Scanlon have been informed that their January 5, 2009 motion currently is pending before the Environmental Appeals Board.

Therefore, Mr. Kyle and Mr. Scanlon respectfully request that the Environmental Appeals Board grant a motion to withdraw their January 5, 2009 motion to withdraw that currently is pending before it. A new Motion to Withdraw has been submitted to the Regional Hearing Clerk for EPA Region V and the Honorable Barbara A. Gunning requesting that court grant their motion to withdraw as counsel of record in this matter. We apologize for any confusion that may have occurred.

Therefore, Mr. Kyle and Mr. Scanlon of the law firm BARNES & THORNBURG LLP respectfully request that the Environmental Appeals Board enter an Order granting this Motion to Withdraw their January 5, 2009 motion to withdraw as counsel of record that currently is pending before the Environmental Appeals Board.
