JOINT STATUS REPORT & MOTION FOR A FURTHER STAY

Petitioner Veolia ES Technical Solutions, L.L.C. (“Petitioner”) and Region 5 of the United States Environmental Protection Agency (“Region 5”) (collectively, the “Parties”), by and through their undersigned attorneys, respectfully provide the Environmental Appeals Board (“Board”), with this Joint Status Report & Motion for a Further Stay (“Joint Filing”), as required by the Board’s December 22, 2017, Fifth Order Continuing Stay of Proceedings. The Parties state the following:

Since the Parties filed the December 20, 2017, Joint Status Report & Motion for a Further Stay, staff have begun to review of the comments received during the public comment period and are developing a recommendation for whether the Administrator or his designee should withdraw or withhold his consent to the contingent settlement agreement that has been filed with the Board. It is unlikely that the Administrator or his designee will be able to determine whether or not to withhold or withdraw consent before the current end of the stay of proceedings on January 31, 2018. Therefore, the Parties jointly move for a further stay of proceedings until February 28,

2018, which the Parties expect will be enough time for the Administrator or his designee to determine whether to withdraw or withhold consent to the contingent settlement agreement.
