

**BEFORE THE ENVIRONMENTAL APPEALS BOARD
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C.**

In re:

Land O'Lakes, Inc. (Hudson Oil Refinery
Superfund Site)

Docket No. 06-16-08

CERCLA § 106(b) Petition No. 15-01

JOINT STATUS REPORT

Pursuant to the Environmental Appeals Board's ("Board") April 10, 2018 Fourth Order Continuing the Stay of Proceedings and Requiring Additional Status Reports in this matter and the January 31, 2019 Order Extending Deadline for Status Report, the parties, by and through their counsel, respectfully provide this thirteenth status report.

There are two changes to report from the twelfth Joint Status Report filed on September 26, 2018, both regarding the Case Management Scheduling Order in the Cost Recovery Case, as follows:

1. On November 6, 2018 the Court granted the parties' Joint Motion to Amend Case Management Scheduling Order to reflect an agreed extension of fact discovery until December 7, 2018 to complete two depositions; and a corresponding agreed extension of subsequent pre-trial schedule deadlines. A copy of the November 6, 2018 Order is attached as **Exhibit 1**.

2. As a result of the recently-concluded government shutdown, and given the prospect of another government shutdown on February 15, 2019, the parties have agreed to propose an agreed Joint Motion to Amend Case Management Scheduling Order modifying the pre-trial schedule deadlines to account for the shutdown period (or periods).

Respectfully submitted,

/s/ Clarence Featherson
