RCRA Appeal No.: 13-03

Dear Board and Counsel:

Enclosed please find a copy of the Petitioner's Corrected Reply Brief which we filed electronically with the EAB on behalf of our client, Essroc Cement Corporation. The Reply brief filed on August 22 had an error on page 8. There was a word missing between the words "completely" and "calculation." The Corrected Reply includes the word "erroneous" between the words "completely" and "calculation." Please call if you should have any questions about this Corrected Reply.

Very truly yours,

Philip J. Schworer
