This communication shall serve the purpose to confirm that a request has been sent out by me, Daniel Lum, to all associated parties, requesting an oral argument to the United States of America, Environmental Protection Agency, Environmental Appeals Board via Eurika Durr (emailed).

I am not a lawyer and forgot the proper terms for these notifications, thus the extended explanations. Thank you for your patience

Daniel Lum

CDX has received your file and will forward it to the Clerk of the Environmental Appeals Board. You need not file any other copies of your document(s) with the Board, except in certain limited circumstances that are explained in the Board's Standing Orders of January 28, 2010. In general, if the length of your document or the combined page length of all your exhibits exceeds 50 pages, you must send by U.S. Mail or deliver by hand, courier, or commercial delivery service to the Board an identical paper copy of that document or set of exhibits within one business day of the date of electronic filing. If you submit a paper copy of any document or set of exhibits, it must be accompanied by a signed certification stating that the paper copy is identical to the filed electronic copy, and it should be signed in blue ink. For more detailed information, please consult the Standing Order pertinent to your appeal and the Board's website, www.epa.gov/eab, in particular the "Electronic Filing" and "Frequently Asked Questions" web pages.
