ENVIRONMENTAL APPEALS BOARD

Respondent

**RESPONDENT'S BRIEFING NOTICE**

Issued: July 1, 2008

Respondent's brief must be filed by July 30, 2008.

The deadline for filing petitioner's reply brief will run from service of respondent's brief in accordance with Fed. R. App. P. 31 and 1st Cir. R. 31.0. Parties are advised that extensions of time are not normally allowed without timely motion for good cause shown.

Presently, it appears that this case may be ready for argument or submission at the coming **November, 2008** session.

The First Circuit Rulebook, which contains the Federal Rules of Appellate Procedure, First Circuit Local Rules and First Circuit Internal Operating Procedures, is available on the court's website at [www.ca1.uscourts.gov](http://www.ca1.uscourts.gov). Please note that the court's website also contains tips on filing briefs, including a checklist of what your brief must contain.

**Failure to file a brief in compliance with the federal and local rules will result in the issuance of an order directing the party to file a conforming brief and could result in the respondent not being heard at oral argument. See 1st Cir. R. 3.0 and 45.0.**
