MOTION FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

From:

Heidi Strand, Co-Chair
Citizens for Clean Air
P.O. Box 1544
Shasta Lake, CA 96019

March 19, 2013

Citizens for Clean Air Co-chair, Heidi Strand, respectfully requests an extension of time to file a Brief regarding the recent decision by EPA Region 9 to grant a Prevention of Significant Deterioration (PSD) permit to Sierra Pacific Industries (SPI) in Anderson, CA.

Currently, I, Heidi Strand am awaiting a Freedom of Information Act (FOIA) request from Omer Shalev, Region 9. I requested a full copy of the public comments, including all issues raised by nearby residents. My comments as well as others were heavily edited or left out completely. Since we do not possess a complete and accurate record of the permit being reviewed, we hope to be granted the additional time required to prepare an adequate brief.

I expect EPA Region 9 will comply with my request soon, and therefore, this will not unduly inconvenience the Court.

My petition (Heidi Strand), Celeste Draisner and Ed Coleman's are separate petitions needing separate docket numbers.

I alone am asking for a time extension because the FOIA request is critical to my appeal.

Heidi Strand, Co- chair
Citizens for Clean Air

Executed on this day March 19, 2013.
