APPELLEE'S RESPONSE TO APPELLANTS' REQUEST  
FOR ORAL ARGUMENT

As counsel for Appellee (Complainant) in the above-referenced matter, I am responding to Appellants' (Respondents) request to the Environmental Appeals Board for an opportunity for oral argument on this matter. Appellee believes that oral argument for this case is unnecessary, that the issues are straightforward, and that these issues have been sufficiently addressed in the briefs filed with the Board by the parties. However, Appellee does not object to such oral argument if the Board believes oral argument would be of assistance to it in making its determination in this case.

Respectfully submitted,

Date: 5/10/05
