Dear Mr. Kaplan:

This is to advise you that the Environmental Appeals Board ("Board" or "EAB") received three petitions for review from the following: Paula Goodman Maccabee, Attorney, Just Change Law Offices, on behalf of WaterLegacy (NPDES 13-01), dated January 23, 2013; Kathryn M. Hoffman, Attorney, Minnesota Center for Environmental Advocacy, on behalf of the Minnesota Center for Environmental Advocacy (NPDES 13-02), dated January 28, 2013; and Sara K. Van Norman, Attorney, Jacobson, Buffalo, Magnuson, Anderson & Hogen, P.C. on behalf of Fond Du Lac Band of Lake Superior Chippewa and Grand Portage Band of Lake Superior Chippewa (Joint Petition) (NPDES 13-03), dated January 28, 2013. The petitions seek review of a NPDES final permit decision issued by U.S. Environmental Protection Agency, Region 5 to Mesabi Nugget Delaware, LLC – Hoyt Lakes, Minnesota.

A copy of the petitions and exhibits can be found on the Board's website at [www.epa.gov/eab](http://www.epa.gov/eab) (click "EAB Dockets" on the sidebar, click on the "Active Dockets" link, and then click on the appropriate case name). If you have any difficulty accessing this document, please let me know.

**IMPORTANT NOTE:** On January 25, 2013, the U.S. Environmental Protection Agency ("EPA") published a rule in the Federal Register revising the part 124 permit appeal procedures. 78 Fed. Reg. 5281. **On March 26, 2013, this rule will take effect, and all documents filed with the Board on or after this date**

**become subject to the revised provisions. Consequently, if you file any documents in this proceeding on or after March 26, 2013, you must follow the procedures prescribed by the revised rule.** The text of the rule and additional information regarding the rule are available through the Board's Web site at the "Regulations Governing Appeals" Web page.

To assist the Environmental Appeals Board in deciding whether the matters petitioners raise should be reviewed, please have your staff prepare a response that addresses the petitioners' contentions and whether petitioners have satisfied the requirements for obtaining review under 40 C.F.R. § 124.19(a). Such response should be filed no later than **March 18, 2013**. Include relevant portions of the administrative record with the response. In particular, documents cited in your response must be included as attachments. In addition a certified index of the entire administrative record must be filed with the response. The permit issuer is encouraged to file the index to the record, preferably electronically, as soon as possible after receiving notification of this appeal. Early filing of the certified index enables the Board to begin prompt review of the record even before all of the briefs are filed.

A copy of this letter is being sent to Mesabi Nugget Delaware, LLC –Hoyt Lakes, Minnesota as notification of these petitions and these filing requirements. If the permittee chooses to file a response, the response must be received by **March 18, 2013**. A copy of this letter is [also] being sent to the petitioners as notification of these filing requirements
