RE: San Jacinto River Authority; NPDES Permit No. TX0054186

Dear Clerk of the Board:

It has come to our attention that Table A on Page 44 of the Petition For Review dated August 21, 2009 in the above-referenced matter contained some typographical errors regarding total hardness values. Enclosed please find an original and five (5) copies of a replacement Page 44 with a revised and corrected Table A. We would appreciate substitution of this corrected Page 44 in our Petition For Review.

Thank you for your attention to this matter.

Sincerely,

Lauren Kalisek
