Hello,

I electronically filed Sierra Club's Motion for Leave to File a Reply to EPA Region 4's Brief Regarding Reviewability of Permit and Sierra Club's Reply to EPA Region 4's Brief Regarding Reviewability of Permit on July 30, 2009, for the Seminole Electric Cooperative, Inc, Appeal No. PSD 08-09 case. I submitted the filing twice, because I did not receive a confirmation email the first time until well after the filing. I did not intend for the document to be docketed twice. Is there any way to remove one of the copies of the filings from the docket (Filing #42 and 43)?

Many thanks for your help and please feel free to contact me with questions.

Best,
