Re: Mississippi Lime Company
Permit Number: 157863AAC
Appeal Number: PSD 11-01

Dear Mr. Scott:

Enclosed is a petition dated January 26, 2011, received by the Environmental Appeals Board (the "Board") on January 26, 2011 filed by David C. Bender, Attorney, McGillivray Westerberg & Bender LLC, on behalf of Sierra Club, asking the Board to review a PSD determination by the Illinois Environmental Protection Agency.

A copy of the petition and exhibits can be found on the Board's website at www.epa.gov/eab. To locate the docket for this matter, click on the "EAB Dockets" link followed by the "Active Dockets" link and click the appropriate case name. If you have any difficulty accessing this document, please let me know.

Response Seeking Summary Disposition. If you believe that the petition in its entirety may be appropriate for summary disposition, either because the Board does not have jurisdiction to consider the petition, the appeal is untimely, Petitioner lack standing to file an appeal, or none of the issues raised in the petition were preserved for review, file a response to that effect by no later than February 14, 2011. Include relevant portions of the administrative record with your response.

Filing may be accomplished electronically pursuant to the Board's Order of January 28, 2010.¹ Alternatively, filing may be accomplished by filing a paper original (signed in blue ink)

¹ The Board has issued an Order authorizing the electronic filing of documents in cases involving permit appeals. See Order Authorizing Electronic Filing in Proceedings Before the Environmental Appeals Board Not Governed by 40 C.F.R. Part 22 (Jan. 28, 2010), available at <http://www.epa.gov/eab> (click "Standing Orders" on sidebar). Instructions on registration and document filing are available by Internet Address (URL) <http://www.epa.gov>

with the Board (at the address shown below) by the date specified above. A copy must be sent to Petitioner, and a certificate of service showing the date and method of service should be included with the filing. Petitioner shall have 10 days from the date of service of a response seeking summary disposition to file a reply with the Board, unless the Board determines otherwise.

If the Board determines that summary disposition is appropriate, the Board will issue an order to that effect. If the Board determines that summary disposition is not appropriate, or that the issue of summary disposition should be reserved until after a response to the merits of the petition is filed, the Board will issue an order directing that a response to the merits of the petition be filed within 15 days of the Board's order.

Response not Seeking Summary Disposition. If you do not file a response seeking summary disposition, file a response to the merits of the petition by no later than March 15, 2011. Include with your response relevant portions of the administrative record, together with a certified index of the entire administrative record.

Filing may be accomplished electronically pursuant to the Board's Order of January 28, 2010² or by filing an original (signed in blue ink) with the Board. In addition, a copy of the filing must be sent to petitioner, and a certificate of service showing the date and method of service should be included with the filing.

All documents that are sent through the U.S. Postal Service, Express Mail, hand-delivered, via courier must include the name of the organization, address, facsimile number, telephone number, and an email address, if available.³
