**SHELL OFFSHORE INC.'S NOTICE OF FILING  
CORRECTED RESPONSE TO PETITIONS FOR REVIEW**

On July 26, 2007, Shell Offshore Inc. ("SOI") filed a "Response to Petitions for Review" with the Clerk of the Environmental Appeals Board. After filing the original document on July 26, SOI discovered that the filing had a number of typographical and citation errors. In addition, SOI inadvertently failed to attach three exhibits that were cited in the text. For the convenience of the court and the parties, SOI now files a "clean" and a "redlined" version of "Shell Offshore Inc.'s Corrected Response to Petitions for Review." This new document corrects non-substantive errors in the text, and includes as attachments all documents referenced by SOI in the Response. SOI requests that the Clerk of the EAB enter the "clean" copy of Shell Offshore Inc.'s Corrected Response to Petitions for Review into the docket in the above-captioned case.

DATED this 30th day of July 2007.

Respectfully submitted,

PATTON BOGGS LLP
