NOTICE AMENDING "CERTIFICATE OF SERVICE" TO REFLECT ACTUAL METHOD OF SERVICE OF THE DEFAULT ORDER

Pursuant to the September 20, 2016, *Order Electing to Exercise Sua Sponte Review* (Order) by the Environmental Appeals Board (EAB), and 40 C.F.R § 22.7(c), the Regional Hearing Clerk notifies the Complainant and Respondent of an amendment to the attached Certificate of Service, concerning the Default Initial Decision and Order (Default Order) *In the Matter of Atkinson Developers, LCC, and Francis M. Atkinson, Jr.* The original Certificate of Service attached to the August 9, 2016, Default Order indicated a service method of "Certified Mail – Return Receipt Requested" to the Respondent but in fact an alternate service of "UPS Next Day Air" was used. Due to this discrepancy of the actual method of service used, I am correcting the record by re-issuing an amended "Certificate of Service" with the actual form of service used on the August 9th Default Order. As specified in the EAB's Order, this amendment of the Certificate of Service does not act to reopen the appeal period.

Respectfully submitted,

Patricia A. Bullock

Regional Hearing Clerk
