**U.S. ENVIRONMENTAL PROTECTION AGENCY STATUS REPORT**

The Respondent, Region VII of the U.S. Environmental Protection Agency ("EPA"), by and through its Office of Regional Counsel, submits this status report pursuant to the Environmental Appeals Board's ("EAB") April 27, 2016 Order Continuing Stay of Proceedings. In the April 27, 2016 Order, the EAB directed the parties to file a status report (jointly or separately) beginning October 1, 2016, and continuing every three months (i.e., on or around January 1, April 1, July 1, October 1 of each year) advising the Board of the status of District Court litigation.

On October 26, 2016, United States Magistrate Judge Ross Walters issued an Order scheduling the bench trial to begin on Monday, March 27, 2017, before Senior U.S. District Court Judge Robert W. Pratt for the Southern District of Iowa, Central Division. Due to the Court's scheduling issues, the trial was rescheduled to Monday, April 3, 2017, through Wednesday, April 12, 2017.

Dated this 29 day of March 2017.

Respectively Submitted
