

Petition under 40 C.F.R. 124.19(f) and 40 C.F.R. 124.19(f)(2)(2013)

**BEFORE THE ENVIRONMENTAL APPEALS BOARD
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C.**

In re: Sierra Pacific Industries)
)
Respondent: EPA Region 9)
)

Motion requesting leave to file petitioner Ed W. Coleman's petition, Ed W. Coleman's Amended petition, Ed W. Coleman's 2nd amended brief, Celeste Draisner petition, Heidi Strand's petition and Petitioner Strand's supplemental documents requested by the board.

Ed W. Coleman, Co-coordinator of Citizens for Clean Air requests the Board consider his motion requesting leave to file the above named petitions.

The Board can exercise it's discretion to allow in back up documents it requests as well as amended petitions filed Per Se. Specifically, the Board has asked if Petitioner Strand's FOIA requests to EPA Region 9 were filed in a timely manner. The Board needs to establish that the FOIA was timely filed since Petitioner has requested time to review these documents once received.

The Federal EPA is the lead as well as advisory agency for Executive order # 12898 (Environmental Justice.) I ask the Board to consider that new Board policies (40 C.F.R. 124.19(f) and 40 C.F.R. 124.19(f)(2)(2013)) went into effect the day before the deadline to file our petitions. We ask the court to indulge our many but well meaning flaws as we make our utmost attempts to participate in this process.

Respectfully submitted
