SHELL OFFSHORE INC.'S DESIGNATION OF COUNSEL FOR ORAL ARGUMENT

On October 16, 2008, the Environmental Appeals Board scheduled its hearing in the above-captioned matters for December 4, 2008. That Order requested the names of counsel who would appear at the hearing to present oral argument. Susan M. Mathiascheck and Duane A. Siler will appear for SOI. Although SOI does not need to utilize the Board's video-conferencing equipment, counsel may wish to project maps or other graphics from a laptop computer during argument. Counsel would propose to use their own computer, but would like to connect to the projector and/or monitors that are installed in the hearing room. We will follow up with the Clerk of the Board to confirm the details of these arrangements.

DATED this 20th day of November 2008.

Respectfully submitted,

PATTON BOGGS LLP
Attorneys for Shell Offshore Inc.

A handwritten signature in cursive script, appearing to read "Duane A. Siler", is written over a horizontal line. To the right of the signature, there is a small, illegible handwritten mark.
