ORDER GRANTING MOTION TO CONSOLIDATE

On February 23, 2005, Region III of the U.S. Environmental Protection Agency filed a motion to consolidate two appeals of a modified National Pollutant Discharge Elimination System permit issued to the District of Columbia Water and Sewer Authority ("WASA") for discharges from the Blue Plains Wastewater Treatment Plant. Region III reports that it contacted counsel for petitioners WASA and Friends of the Earth/Sierra Club, and these parties do not object to the consolidation of the petitions. The Region also reports that both petitions seek review of the same three permit conditions (Parts III.E.1-3) and contends that consolidating the appeals would preserve scarce resources and promote efficiency.

For good cause shown, the motion is hereby **GRANTED**.

So ordered.
