NPDES Appeal No. 08-20

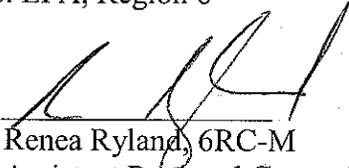

Permit No. NM0024996

U.S. EPA REGION 6's RESPONSE TO REQUEST
FOR EXTENSION OF APPEAL DEADLINE

On October 16, 2008, Souder, Miller & Associates, on behalf of the Mora Mutual Domestic Water Consumer and Sewage Works Association ("Mora"), filed a request for an extension of the deadline in which to file an appeal in the above-captioned matter with the Environmental Appeals Board ("Board"). On October 27, 2008, the Board issued an Order providing the permitting authority, the Environmental Protection Agency, Region 6 ("Region"), until October 28, 2008, to file a response to Mora's request.

The Region has no objection to the granting of Mora's request for an extension of the deadline in which to file an appeal in this matter.
