¹ Although New Source Review appeal regulations at 40 C.F.R. § 49.159 do not require filing of written consent to electronic service, the Prevention of Significant Deterioration appeal regulations at 40 C.F.R. § 124.19(i)(3)(ii) require parties to file an “acknowledgment” of consent. This acknowledgement is filed given that the Board generally adheres to the procedures of 40 C.F.R. § 124 in reviewing appeals filed under 40 C.F.R. § 49.159
