ENVIRONMENTAL APPEALS BOARD

Re: Massachusetts Port Authority, Logan International Airport  
Permit Number: MA0000787  
Appeal Number: NPDES 07-15

Dear Mr. Dierker:

Enclosed is a petition dated August 3, 2007 (received by the Environmental Appeals Board on August 14, 2007) filed by Joseph J. Cappuccio, asking the Environmental Appeals Board to review a permit determination issued by the United States Environmental Protection Agency, Region 1 in this case.

To assist the Environmental Appeals Board in deciding whether the matters raised by petitioner should be reviewed, please have your staff prepare a response that addresses the petitioner's contentions and whether petitioner has satisfied the requirements for obtaining review under 40 C.F.R. §124.19(a). Include relevant portions of the administrative record with the response, together with a certified index of the entire administrative record. Please file an original (signed in blue ink) and five copies of these materials no later than October 2, 2007, and send a copy of the response and the certified index to petitioners with a certificate of service showing the date and method of service.<sup>1</sup>

All documents, including the materials due October 2, 2007, must reference the appeal number. **IMPORTANT:** In addition, any envelope or other packaging containing documents sent to the Environmental Appeals Board's mailing address or hand-delivery address, as prescribed below, must bear a complete and accurate return address in the upper left hand corner. The envelope or packaging must also clearly state the case name and appeal number in the lower

<sup>1</sup>The Environmental Appeals Board has an innovative system that allows parties to submit copies of documents, including exhibits, electronically in PDF. Instructions on registration and document submission are available by using the "Electronic Submission" link on the Board's website. Please note that, at the present time, electronic submissions will not be considered a substitute for filing an original document with the Clerk of the Board. The Clerk of the Board still must actually receive the original document by the document's due date in order for it to be timely filed. However, Agency offices and private parties that use this system for submitting electronic copies will be excused from the requirement to submit multiple paper copies with their original filing.

<sup>2</sup> The Environmental Protection Agency is experiencing delays in delivery of mail from the U.S. Postal Service. These delays are due to a new sterilization procedure applied to all U.S. Postal Service mail delivered to the federal government. Parties are encouraged to utilize non-U.S. Postal Service carriers and the Board's hand-delivery address when filing time-sensitive pleadings with the Board. Additional information regarding mail delivery to the Board is available on the Environmental Appeals Board website ([www.epa.gov/eab](http://www.epa.gov/eab)) at the Clerk of the Board or Frequently Asked Questions.
