Subject: Star Bright Superfund site at 24225 S Hwy 213, Mulino, Oregon 97042

This e-mail is in regards to the Star Bright Superfund site at 24225 S Hwy 213, Mulino, Oregon 97042

As a result of yesterday's conference call, it is EPA's expectation and understanding that Deutsche Bank National Trust Company/Power REO Management Services will obtain the necessary approvals to hire a contractor to remove the hazardous substances from the Star Bright site by Wednesday August 25, 2010. There are thousands of gallons of hazardous materials in unsecured, open-topped vats. These vats are within an unlocked building and constitute an imminent and substantial endangerment to the public health or welfare.

If company procedures will not allow you to obtain the necessary approvals by this date, under the authority of the Comprehensive Environmental Response, Compensation and Liability Act, EPA will conduct the removal or issue a Unilateral Administrative Order to Deutsche Bank National Trust Company/Power REO Management Services to perform the removal.

Lana, As per our conversation this morning, here is the scope of work for Part I of Phase 1:

Removal all hazardous materials which are unsecured in open vats, including all liquids and sludges containing hazardous substances, by an EPA approved method(s).

Transport hazardous substances and materials removed from the Star Bright site location to an EPA approved disposal facility.

Please let us know what time on Friday, August 27 we could hold a conference call (preferably between 9 and noon). At that time EPA would need to know whether it is possible for your client to have a contractor on the site to begin the work no later than next week, Friday, September 3, 2010.

Karen,

As per our conversation earlier today, here is EPA's anticipated schedule of possible events for the next few weeks:

Week of August 30 - Sept 3, 2010: American Home Mortgage Servicing Inc. (AHMSI) contractor on-site, performing substantial work as described in 8/25 e-mail to Lana Reagor.

Provide advance notice to EPA, the first date on which AHMSI's contractor will be on-site to begin the work.

Week of September 6: In the event that AHMSI's contractor is not perform the work to abate the imminent and substantial endangerment at the site, issue a Unilateral Administrative Order to AHMSI to perform the removal action,.

Week of September 13: In the event that AHMSI does not comply with the Unilateral Administrative Order, EPA will perform the work.

If you have any questions, please give me a call. Deniz _____ Deniz

Subject: Star Bright Time-critical removal

It is absolutely critical that the bank communicate clearly and in a timely manner. The bank needs to designate a single contact person who is responsible for coordinating with EPA. Please provide the name of that individual immediately. That is the only way this is going to work.

We have at least two issues that need immediate attention:

1. From Jeff's e-mail " One absolutely critical component of his being ready on Tuesday is obtaining the results of the profile samples collected in early August. Not having those sample results will set the project back at least 1-2 more weeks. The bank and/or their previous contractors should have those results and they must transmit them to Ferrick immediately. Doing so will give Ferrick tomorrow (only) to review the results and speak to potential T&D facilities about accepting the waste"
2. From Tim's e-mail "If the bank owns this property, then they also own the waste, even though Starbright generated the material. Did the bank or are they willing, to have us use the banks name on the paperwork (manifest, profile, and LDR's) and if so did the bank notify ORDEQ of the name change for the existing EPA ID#?"

I want to remind everyone that there is an imminent and substantial endangerment that needs to be addressed at this site.
Thank you in advance for your cooperation.

Subject: RE: Starbright Site in Mulino, Oregon

Deniz,

Maybe we need to talk a little more about what EPA could do. Ideally, I'd like a confirmation of the work conducted, a covenant not to sue and contribution protection, based on my client's voluntary efforts and its defenses to liability. Of course, that does not mean we won't discuss something that differs from this, if it meets our goals. Our underlying goals are threefold: (1) to avoid any potential liability for the work that my client voluntarily performed under EPA's oversight; (2) to receive confirmation from EPA that this work was necessary and in compliance with the NCP, so my client can seek reimbursement from EPA (under CERCLA Section 106), indemnification from its insurers and contribution from other PRPs; and (3) to avoid liability for future characterization and remediation work at the site, based on my client's voluntary abatement activities in light of it having several absolute defenses to CERCLA liability. I anticipate that the third goal will be the most challenging, and I am open to creative suggestions for addressing it. To be frank, however, reimbursement of EPA's oversight costs is not something that I could recommend at this point.

Please understand that my client is in a rather awkward position of having incurred significant expenses without having any commitments in advance from EPA, because we understood the seriousness of the situation on the ground at the site and wanted to do the right thing to protect public health and safety. We haven't really delved into my client's defenses, but I think you understand that one of them relates to the statutory protections afforded to a foreclosing lender that acts diligently to divest itself of title. The other major defense that I am asserting at this point is that my client doesn't actually hold title. Instead, it acts as a servicer on behalf of the title holders, which are a syndicate of other lenders. My client, American Home Mortgage Servicing Inc. (AHMSI), isn't even listed on title, which is held by "Deutsche Bank National Trust Company, as trustee for the Certificate Holders of Soundview Home Loan Trust 2005-OPT1, Asset-Backed Certificates, Series 2005-OPT1." The US is not a third-party beneficiary to the servicing contract, and it has no direct rights of recovery against AHMSI, which never took physical possession of the property, but merely acted in a responsible manner to contain and abate the hazardous conditions at the site.

I realize that it is unusual for EPA to enter into an agreement like this after the fact, but the exigencies of this site warranted immediate action, and at least we know that it will be easy to describe the scope and cost of the work, since it has already been performed. Also, we are not pushing to get a final, signed agreement right away; we just want to get started on it as soon as possible, recognizing that it may take a little while to finalize. If it would help, I'm willing to explain my client's situation to others at EPA, in person or by phone. Just let me know if there is anything I could do.

My client and I both appreciate the professionalism and cooperation that EPA has shown to us throughout this trying and unpleasant process, and we hope that spirit of cooperation will continue as we work to resolve the legal issues related to this site. Thank you,

Karen, I have been working on your request. Because it is unusual to enter into an agreement for work already done I need to work this out with my manger here in Seattle as well as the DC office. Just to be clean on what you are asking for - you would like a covenant not sue for the work your client already performed? In all likelihood, any agreement would also include an obligation to pay past oversight costs and future assessment costs. I will be in touch before the end of the week to give you an update. Thanks, Deniz _____ Deniz Ergener Assistant Regional Counsel US EPA Region 10

Deniz:

I was wondering if you had a chance yet to put together a draft agreement of some sort covering my client's work at this site. If not, when do you anticipate being able to provide it? Thanks,

T.S. No.: 09-06411-6
Loan No.: 0015123938

THIS INDENTURE, Made May 11, 2010, between FIDELITY NATIONAL TITLE INSURANCE COMPANY Hereinafter called trustee, and DEUTSCHE BANK NATIONAL TRUST COMPANY, AS TRUSTEE FOR THE CERTIFICATEHOLDERS OF SOUNDVIEW HOME LOAN TRUST 2005-OPT1, ASSET-BACKED CERTIFICATES, SERIES 2005-OPT1

hereinafter called the second party:

WITNESSETH:

RECITALS: JANET L. VAN DER STAR AND VICTOR J. VAN DER STAR, AN TENANTS BY THE ENTIRETY,, As grantor, executed and delivered to FIRST AMERICAN TITLE INSURANCE COMPANY OF OREGON, for the benefit of OPTION ONE MORTGAGE CORPORATION, A CALIFORNIA CORPORATION, as beneficiary, a certain trust deed dated January 10, 2005, duly recorded on January 14, 2005, 2005-004127, in the mortgage records of Clackamas County, Oregon.

In said trust deed the real property therein and hereinafter described was conveyed by said grantor to said trustee to secure, among other things, the performance of certain obligations of the grantor to the said beneficiary. The said grantor thereafter defaulted in his performance of the obligations secured by said trust deed as stated in the notice of default hereinafter mentioned and such default still existed at the time of the sale hereinafter described.

By reason of said default, the owner and holder of the obligations secured by said trust deed, being the beneficiary therein named, or his successor in interest, declared all sums so secured immediately due and owing; a notice of default, containing an election to sell the said real property and to foreclose said trust deed by advertisement and sale to satisfy grantor's said obligations was recorded in the mortgage records of said county on November 25, 2009 and referenced as 2009-081779, to which reference now is made.

After the recording of said notice of default, as aforesaid, FIDELITY NATIONAL TITLE INSURANCE COMPANY the undersigned trustee gave notice of the time for and place of sale of said real property as fixed by him and as required by law: copies of the Trustee's Notice of Sale were served pursuant to ORCP 7D(2) and 7D.(3) or mailed by both first class and certified mail with return receipt requested, to the last-known address of the persons or their legal representatives, if any, named in ORS 86.740(1) and (2)(a), at least 120 days before the date the property was sold, and the Trustee's Notice of Sale was mailed by first class and certified mail with return receipt requested,

TRUSTEE'S DEED

T.S. No.: 09-06411-6
Loan No.: 0015123938

to the last-known address of the guardian, conservator or administrator or executor of any person named in ORS 86.740(1), promptly after the trustee received knowledge of the disability, insanity or death of any such person: the Notice of Sale was served upon occupants of the property described in the trust deed in the manner in which a summons is served pursuant to ORCP 7D.(2) and 7D.(3) at least 120 days before the date the property was sold, pursuant to ORS 86.750(1). In addition, pursuant to HB 3630, the additional notice was sent or served in accordance with Sections 20 and 21, Chapter 19, Oregon Laws 2008. If the foreclosure proceedings were stayed and released from the stay, copies of an Amended Notice of Sale in the form required by ORS 86.755(6) were mailed by registered or certified mail to the last-known address of those persons listed in ORS 86.740 and 86.750(1) and to the address provided by each person who was present at the time and place set for the sale which was stayed within 30 days after the release from the stay. Further, the trustee published a copy of said notice of sale in a newspaper of general circulation in each county in which the said real property is situated, once a week for four successive weeks; the last publication of said notice occurred more than twenty days prior to the date of such sale. The mailing, service and publication of said notice of sale are shown by one or more affidavits or proofs of service duly recorded prior to the date of sale in the official records of said county, said affidavits and proofs. Together with the said notice of default and election to sell and the trustee's notice of sale, being now referred to and incorporated in and made a part of this trustee's deed as fully as if set out herein verbatim. The undersigned trustee has no actual notice of any person, other than the persons named in said affidavits and proofs as having or claiming a lien on or interest in said described real property, entitled to notice pursuant to ORS 86.740(1)(b) or (1)(c).

Pursuant to said notice of sale, the undersigned trustee on May 6, 2010, at the hour of 11:00 AM, of said day, in accord with the standard of time established by ORS 187.110, the place so fixed for sale, as aforesaid, in full accordance with the laws of the state of Oregon and pursuant to the powers conferred upon him by said trust deed, sold said real property in one parcel at public auction to the said second party for the sum of \$271,920.00, he being the highest and best bidder at such sale and said sum being the highest and best sum bid for said property. The true and actual consideration paid for this transfer is sum of \$271,920.00.

NOW THEREFORE, in consideration of the said sum so paid by the second party in cash, the receipt whereof is acknowledged, and by the authority vested in said trustee by the laws of the state of Oregon and by said trust deed, the trustee does hereby convey unto the second party all interest which the grantor had or had the power to convey at the time of the grantor's execution of said trust deed, together with any interest the said grantor or his successors in interest acquired after the execution of said deed in and to the following described real property, to-wit:

SEE ATTACHED EXHIBIT "A"

In constructing this instrument and whenever the context so requires, the masculine gender includes the feminine and the neuter and the singular includes the plural; the word "grantor" includes any successor-in-interest to the grantor as well as each and all other persons owing an obligation, the performance of which is secured by said trust deed; the word "trustee" includes any successor trustee, the word "beneficiary" includes any successor-in-interest of the beneficiary first named above, and the word "person" includes corporation and any other legal or commercial entity.
