**ORDER GRANTING MOTION  
TO WITHDRAW PETITION FOR REVIEW**

On May 31, 2001, Esleek Manufacturing Company, Inc., Petitioner, together with U.S. Environmental Protection Agency Region I, Respondent, filed a motion to withdraw the petition for review in the above-captioned matter. The parties report that the permit condition that was the subject of the petition (a maximum temperature limit) has been withdrawn and replaced by a monitoring-only requirement.

Because the matter pending before the Environmental Appeals Board is moot, the motion to withdraw the petition for review is hereby **GRANTED**.

So ordered.
