FINAL ORDER

On September 25, 2015, the U.S. Environmental Protection Agency's Office of Civil Enforcement, Waste and Chemical Enforcement Division (EPA), filed a complaint against Deltech Corporation (Deltech), alleging that Deltech had failed to comply with the reporting requirements of section 12(b) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2611(b), and the regulations promulgated thereunder at 40 C.F.R. Part 707, therefore violating section 15 of TSCA, 15 U.S.C. § 2614. The complaint proposed a civil penalty of \$5,400.

Section 22.18(a) of the Consolidated Rules of Practice, codified at 40 C.F.R. Part 22, states that a respondent may opt for a *quick resolution* of the proceeding at any time by paying the specific penalty proposed in the complaint.

On November 5, 2015, EPA informed the Environmental Appeals Board (Board) that it had received a copy of the instrument of payment for the full amount of the \$5,400 penalty from Deltech in resolution of the above-captioned matter.

In accordance with 40 C.F.R. § 22.18(a)(3), upon receipt of payment in full, the Environmental Appeals Board shall issue a final order. Payment by respondent constituted a waiver of respondent's right to contest the allegations and to appeal the order. *Id.* Therefore, the

above-captioned case is hereby **RESOLVED** civilly for the violations and facts alleged in the complaint.

So ordered.¹
