Docket No. TSCA-HQ-2016-5013

FINAL ORDER

On July 13, 2016, the U.S. Environmental Protection Agency’s Office of Civil Enforcement, Waste and Chemical Enforcement Division, filed a complaint against Coyne Chemical Corporation (“Coyne Chemical”) alleging that Coyne Chemical had violated the reporting requirements of section 13 of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2612, and implementing regulations at 40 C.F.R. § 707.20(b)(2)(i)-(ii). The Complaint sought a penalty of \$31,590.

EPA’s Consolidated Rules of Practice, 40 C.F.R. part 22, govern this administrative enforcement proceeding. Under 40 C.F.R. § 22.18(a), a respondent may opt for a “quick resolution” of an enforcement proceeding at any time by paying the penalty proposed in the complaint. *See* 40 C.F.R. § 22.18(a)(1)-(2). The rules further provide that upon payment in full of the penalty, in cases initiated at EPA Headquarters, the Environmental Appeals Board (“Board”) shall issue a final order resolving the case. *Id.* § 22.18(a)(3).

On July 22, 2016, EPA’s Office of Enforcement and Compliance Assurance notified the Board that EPA had received full payment of the penalty (\$31,590) from Coyne Chemical to resolve the above-captioned matter. Payment by Coyne Chemical constitutes a waiver of Coyne Chemical’s rights to contest the allegations in the Complaint and to appeal this Final Order. *See id.* In accordance with 40 C.F.R. § 22.18(a)(3), the above-captioned matter is hereby

RESOLVED.

So ordered.¹

Dated: 7/26/2016

ENVIRONMENTAL APPEALS BOARD

By: Mary Beth Ward
Mary Beth Ward
Judge, Environmental Appeals Board

¹ The three-member panel ratifying this matter is composed of Environmental Appeals Judges Mary Kay Lynch, Kathie A. Stein, and Mary Beth Ward.
