NPDES Appeal No. 13-09

**ORDER GRANTING MOTION FOR EXTENSION OF TIME
TO FILE PETITION FOR REVIEW**

On September 19, 2013, the United States Department of the Army filed a motion seeking a thirty-day extension of time to file a petition for review of NPDES Permit No. WAS-026638, issued to the Army by Region 10 of the U.S. Environmental Protection Agency (“EPA”) on August 27, 2013. The Army requests additional time to fully evaluate the potential impacts of the contested conditions in the Permit on its military operations, obtain pertinent information from and consult with the many military units and other government agency tenants that utilize the permitted facility, and obtain necessary approval and guidance from Army, Navy, and Air Force senior leadership. In accordance with 40 C.F.R. § 124.19(f)(2), the Army contacted EPA Region 10 and reports that the Region does not object to the granting of this motion.

For good cause shown, the motion is hereby **GRANTED**. The Army must file a petition for review of NPDES Permit No. WAS-026638 on or before **Monday, October 28, 2013**.

So ordered.
