ORDER ON BRIEFING SCHEDULE AND SUBMISSION OF PERMIT DOCUMENT

The Board held oral argument in the above-captioned matter on October 30, 2018. As stated at oral argument, the Region has filed an Opposed Motion to Supplement the Administrative Record that is now pending before the Board (filed Oct. 30, 2018). Any response to that motion must comply with 40 C.F.R. § 124.19(f) and be filed by November 14, 2018. Any reply to that response must also comply with 40 C.F.R. § 124.19(f) and be filed within 10 days after service of that response. *Id.*

Additionally, the Board requests that the Region file with the Board by November 9, 2018, a copy of the final permit issued in 2000 or 2001 for the Ruidoso WWTP, as this document has been referenced by multiple parties in this matter and does not appear to be part of the record for the current permit proceeding. If the Board determines any additional information is necessary, the Board will notify the parties accordingly.

So ordered.
