NPDES Appeal No. 12-04

**ORDER GRANTING MOTION TO DISMISS PETITION FOR REVIEW**

On October 21, 2013, petitioner Alyeska Pipeline Service Company ("Alyeska") filed an unopposed motion to dismiss its appeal in the above-captioned matter. Previously, Alyeska and Region 10 of the U.S. Environmental Protection Agency ("Region") had engaged in settlement discussions and reached a settlement in principle whereby the Region agreed to issue a permit modification regarding certain whole effluent toxicity ("WET") monitoring provisions, subject to public notice and comment. Order Granting Motion for Stay of Proceedings at 1 (Mar. 22, 2013). The Region issued the final permit modification on October 18, 2013. Counsel for Alyeska has consulted with the Region, and the Region does not oppose Alyeska's motion to dismiss the petition for review.

Accordingly, the above-captioned petition for review is dismissed with prejudice.

So ordered.
